

Children at our school are...

...**Aware of God's love**

know that they are important
understand that they are part of a community
want to do their best in everything they do
care for others
are grateful for the gifts they have

*St Francis taught us that values matter and
that we should speak truth and care for the world.*

Pupils at St Bonaventures grow to...

Speak the truth
Confident and eloquent

use their imagination to explore and care
for the world around them

God's presence and His creation
believe they can make a difference in the world
understand that their actions have an impact on others
willing to take on new challenges and experiences
take responsibility for their actions

Know what is right
Empathetic and respectful
actions reflect their values

others through **gospel values**

praising **effort** as well as **achievement**

always **seeking to improve** through setting and
expecting **high standards** for everyone
in our community
