Friday 1<sup>st</sup> October 2021

Dear parents and carers,

You will be aware from my letter dated Wednesday 29<sup>th</sup> September that we have seen a small increase in the number of COVID cases within school. Following this letter being sent, Public Health England have advised that I implement some advanced control measures. This includes asking parents of pupils, whom the school identify as close contacts of a positive case, to arrange a PCR test for their child. If your child is identified as a close contact, we will inform you via phone call (or email if we cannot contact you by phone) and then send a follow up letter. If your child is well, they can continue to attend school as normal whilst you wait for the PCR test outcome.

Please can I ask that you do not send your child to school if they have a high temperature, a cough and/or a loss of smell or taste. We are also aware that children with coronavirus can often have upset tummies and sickness. We have currently got a 48-hour rule for any cases of diarrhoea or sickness – please do not bring your child back to school for 48 hours after their last episode of vomiting or diarrhoea.

I am also aware that a number of parents have used lateral flow tests on their children, obtained a negative result, their child has subsequently developed more symptoms and then tested positive on a PCR. I would ask that any child or person in your household who displays symptoms arranges a PCR test as soon as symptoms appear.

If you are at all concerned please speak to either Mrs Woolley or myself on the gate in the morning or at the end of the day.

### Parents' evenings

Parents' evening appointments will be available to book online from 4pm this afternoon. You will receive an email with all the details and the link which is <https://stbons.schoolcloud.co.uk>. We have increased the length of meetings this term from 8 to 10 minutes.

You will also receive a parent consultation form that you are invited to complete and return to school prior to your meeting. Printed copies are available from the school office if you do not have access to a printer.

### Christmas cards

The deadline for returning completed card designs is Wednesday 13<sup>th</sup> October. Please see the PTFA section for more information.

### St Bede's open evening

St Bede's senior prefect team has produced a personal invitation for their partner primary school children to attend the College Open Evening on Thursday 7<sup>th</sup> October. For ease of access, the video can be accessed via this link to their YouTube channel [https://youtu.be/h\\_R-BZZyVHc](https://youtu.be/h_R-BZZyVHc) and is entitled 'Invitation to St. Bede's 2021'.

### Running club

Just a reminder that running club is back. All abilities are catered for. The group leaves school at 7.50am on Wednesday mornings. Parents and children in all year groups are encouraged to attend. Please come ready to run!

Best wishes,

Sarah Ballantine  
Headteacher

## COMMUNITY NEWS

### Kinesiologist

My name is Sinead Pelley and I have recently retrained as a nutritional advisor and kinesiologist. Kinesiology uses muscle testing to identify, understand and rectify any imbalance in the body and is suitable for all ages.

Kinesiology is incredibly effective for children and parents are amazed at how quickly results are achieved. With regards to children, the main conditions I deal with are anxiety, depression, fears/phobias, digestive issues, emotional issues, dyslexia, poor concentration, behavioural issues, skin problems, allergies, sleep issues etc.

Kinesiology looks at the physical aspects causing the problem but very much focuses on the emotional aspects also.

Please do have a look at my website should you wish to understand a bit more....

*Due to the huge response and volume of enquiries to this post a few weeks ago, I would like to offer St Bonaventure families a free 10 minute phone consultation to ask any questions you may have and to understand how I can help you and your loved ones improve your health and well-being. I would also like to offer 10% off all initial treatments.*
