Dear parent / carer,

Each year we ask you to complete the photograph permission form. This year our form is slightly different as a result of the covid pandemic.

As you know we sometimes take photographs of pupils in school. We use these in a variety of ways e.g. in the school newsletter or in display boards around school. If we use a photo of a child we do not put the child's first name or surname so that the child cannot be identifiable.

This year we would like to take some films of pupils so that we can share this video footage with parents/carers and you can be more involved in their school life. Examples of this will be our nativity production, class special days. In addition, we would like to put an open day film on our website with a mix of footage from this year and last so that prospective parents, who are not able to visit our school, can see what life at St Bon's looks like. At no point in school videos would we link names with images of children.

We would like your consent to take photos/videos of your child, and use them in the ways described below. If you're not happy for us to do this, that's no problem – we will accommodate your preferences, however, please be mindful that this would mean that you would not be able to view photos/videos of your child, for example in the Christmas film.

Please tick the relevant box(es) below and return to the school office.
