WE ARE PILGRIMS OF HOPE

The figure at the front is holding onto the cross. It is not only the sign of the faith which this lead figure embraces, but also of hope, which can never be abandoned, because we are always in need of hope, especially in our moments of greatest need.

The figure at the front is embracing the cross. The cross is a sign of faith, and it bends towards the human figures. As the cross stretches out towards the people it is a sign of hope: we need to hold onto our faith 'especially in our moments of greatest need.'

There are rough waves beneath the figures. This reminds us that our pilgrim's journey through life is not always calm and smooth: throughout our lives we will have to face all kinds of different challenges. Sometimes there are events in our daily lives and in the wider world that require a greater call to hope.

The symbol of hope is further enhanced by the lower part of the cross which is in the shape of an anchor. It is submerged deep into the waters and signifies how, like an anchor, our faith gives us stability and security.

SACRED SILENCE - THINK ABOUT THE FEELING OF HOPE.

God, our loving Father,

In this Jubilee year,

You remind us of our call to love creation.

Help us to work together

to replant, repair, and renew.

Guide us on our journey as pilgrims of hope

Jesus, our light,

In this Jubilee year,

you remind us of our call to love our neighbours

and to set free those who suffer.

Help us to treat everyone with dignity;

to be fair, forgiving and kind.

Guide us on our journey as pilgrims of hope

Holy Spirit, our inspiration,

In this Jubilee year, you remind us of our

call to grow in faith and love.

Help us to hear you in scripture,

to see Jesus in others,

and to be united as God's global family.

Guide us on our journey as pilgrims of hope.

Amen
