

Friday 19th December 2025

Dear parents and carers,

*May the awe of the shepherds inspire us,
May the strength of Joseph protect us,
May the peace of Mary shelter us,
May the presence of the angels look after us,
May Jesus look over us today, tomorrow and forever.
And May the blessing of God Almighty, Father, Son and Holy Spirit,
Be upon you and remain with you now and always.*

Amen.

Catholic Life at St Bon's this week

As we draw closer to the feast of the Nativity, our school has been transformed by the true spirit of Advent. This week has been a wonderful testament to our school mission, as we prepare our hearts to welcome Jesus next week. From the vibrant energy of our youngest performers to the solemnity of our Advent Mass, the joy of Christ has been evident in everything we do.

The Greatest Story Ever Told

Our EYFS and Key Stage 1 children brought the Christmas story to life this week with their spectacular Nativity performances. Telling the story through the eyes of the animals in the stable, the children helped us reflect on the profound importance of Jesus' birth—both in Bethlehem and in our lives today.

Despite the grey and wet December weather, every child let their light shine through song, dance, and acting. Their enthusiasm was infectious, and we are immensely proud of the confidence and joy they shared with their parents and the whole school community.

An Evening of Song and Scripture

On Tuesday evening, our Key Stage 2 pupils led us in a Carol Service. It was a lovely occasion for families to gather and focus on the scripture and carols that tell the story the birth of our Saviour. The children's voices reminded us all of the peace and hope that Christmas brings to the world.

Our Advent Mass

Today, we gathered as a school family for our Advent Mass at the church. We would like to thank Lola and Reuben for their confident readings, and Alex for leading us in our Bidding Prayers.

Canon Tom shared a homily, reminding the children that while Christmas is a time of great celebration, it is also a time to think of others—particularly those for whom this time of year can be difficult. His message centred on the "true meaning" of the season: God's love in action.

Christmas Celebrations & Giving Back

The festive spirit was in full swing this morning as children danced through the gates to Christmas music, sporting an array of wonderful Christmas jumpers and hats! This was followed by a delicious Christmas lunch shared together in the hall.

However, amidst the celebrations, our pupils have remained mindful of their roles as "good neighbours." We are overwhelmed by your generosity:

- The Julian Trust: All donations were collected today and will be delivered next week to support those in need.
- Our Community: Christmas cards have been delivered to our local neighbours who continue to support some of our vulnerable families.
- CAFOD: Year 3 have successfully completed their sponsored silence! We are currently counting the proceeds to support CAFOD's vital global work.

A Final Thank You

On behalf of all the staff, I would like to thank our families for your incredible participation and support throughout this busy week. Whether you attended the Carol Service, nativity, or contributed to our charities, your presence and support makes our school the vibrant Catholic community it is.

We wish you all a peaceful, holy, and truly joyous Christmas.

Community Food Pantry Update

September has come and gone and by now the new routines of our individual lives and that of family life should be settling down after the long, hot summer break. With this in mind, perhaps we could consider a new routine, that is to remember to donate to our community food pantry on a regular basis?

To remind you about the food pantry or to introduce you to what it is, here are some pointers:

- The food pantry is found at the back of the church, it is open six days a week, during church opening hours.
- The food pantry operates on a basis of trust, it is not staffed and anyone is able to use it. The uptake is huge, the shelves are emptied on a daily basis.
- The food pantry is intended for people to use when they are finding it hard to make ends meet, it is a short-term solution to providing a simple family meal and / or toiletry. We request the users take no more than they need for a meal, a carrier bag is enough.
- The food pantry provides literature to signpost users to seek longer term solutions to affording the basic needs for family life.
- The food pantry is run by volunteers from our parish and from the residents of Egerton Rd. The residents of Egerton Rd were responsible for initially setting up the food pantry, which has now been running for four years. The volunteers do a weekly shop and restock the food pantry four days a week.
- The food pantry also orders a 'Click and Collect' delivery each week and then delivers this to 'Aid Box Community,' which offers support for refugees and people seeking asylum in Bristol. Aid Box Community is located in St. Andrews, Bristol.

How can I donate?

You can donate non-perishable food and toiletries (*please note we cannot accept fresh food as we can't safely store it.*)

For example: tinned fish, cooking oil, flour, cooking sauces, cereal, oats, tea, coffee, UHT milk, tinned vegetables, shampoo, sanitary products, washing up liquid etc.

Please put these items donations either in the clear box labelled 'Community Food Pantry Donation Box' at the back of the church or in the box outside the front door of the Presbytery.

Money

There is a 'Food Pantry' button on the Donation Point inside the church if you would like to make monetary donations by card. Or you can give cash to Canon Tom or put it in an envelope through Jenny's door at 57 Egerton Rd. Jenny is a long-standing volunteer.

Thank you for your ongoing support and donations for the Community Food Pantry
